	<b>AGENDA ITEM</b>
24/25-135	<b>Apologies for Absence</b> Cllr Boaden had given apologies due to work commitments, and Cllr Davis and Cllr Fraser had given apologies for personal reasons, all of which were accepted. <b>Absent</b> Cllr Morrison and Cllr Sparkes.
24/25-136	<b>Declarations of Interest and Dispensations to Participate</b> None.
24/25-137	<b>Minutes of Council Committee meeting</b> The minutes of the Planning Committee meeting held on 17th September 2024 having been previously circulated to Councillors, were approved as a correct record – Proposed Cllr Stevens, seconded Cllr Taylor.
24/25-138	<b>Adjournment for Public Participation (maximum of 5 minutes)</b> The meeting was adjourned at 6.46pm and resumed at 6.48pm. It was noted that the Potterne Action Solar Group were still going through the 'additional information' provided for the Solar Farm application, and there were quite a few things that hadn't been answered or mitigated. The deadline for submission of comments had been extended to the 6 <sup>th</sup> of December.
24/25-139	<b>Planning applications discussed</b>  a) The Parish Council considered the planning applications received as listed below:  i. PL/2024/09038 – Stobberts Agricultural Buildings, Stobberts Road, Market Lavington. SN10 4AZ. Construction of new self-build detached dwelling.  It was proposed by proposed by Cllr Roberts, seconded by Cllr Stevens, and resolved to submit the following response –  The Parish Council objects to this application. Whilst the Parish Council still has highway access concerns, it recognises the previous planning permission approved at appeal for this site, of one dwelling house. With this in mind, of the two applications submitted by the applicant, it is considered that this application is of poorer design, and is therefore contrary to Core Policy 57.  ii. PL/2024/09039 – Stobberts Agricultural Buildings, Stobberts Road, Market Lavington. SN10 4AZ. Construction of new detached dwelling.  It was proposed by proposed by Cllr Roberts, seconded by Cllr Taylor, and resolved to submit the following response –
