5	Treasure Hunt 31st August <ul style="list-style-type: none"> • The Old School is not available all day and so the start / finish is the youth shelter at the Community Hall, which also has parking. It will run between 10am and 2pm. • Thank you to JC who has taken numerous photos of locations around the village. Following discussions, the locations were agreed upon. • IS is making diamond shaped markers which will include a letter and photo of a location. • The entry fee is to be a donation, and entrants given a map indicating the perimeter of the treasure hunt area. The first marker will be at the community hall. • Prizes – very good suggestions were made and discussed. The outcome is that entrants are to return their maps with the completed words on and a contact number to the Community Hall. There will then be a lucky dip winner of a £10 voucher for Retro Relics. It's possible that Retro Relics will donate this, otherwise the Youth Council will purchase. It was thought that there should be a completion prize for all entrants. Suggestions were medals (cost to be investigated) or a cookie, for example, possibly purchased through Retro Relics. • RK has already had a map printed. Once we have the logo, this and instructions can be added, and Dauntsey approached for printing. • Publicity – IS has produced a poster which can be copied and put up around the village, St Barnabas and DAPS. Community Facebook page, and various youth organisations. 	OM & DK to go to retro Relics Jane DK/OM RK Jane All
6	Any other business Cllr Dom Muns asked that congratulations be passed on to the Youth Council for the presentation at the Annual Parish Meeting – he was very impressed.	
7	Date of next meeting – Thursday 18 th July 2024 4:30 at The Old School. Meeting closed at 5:40pm.
