

Agenda – to review recent works carried out, updates, issues and areas to focus on

	Item	Action
1	Welcome and present - MR, CK, PW, KQ, and Cllr JT	
2	Apologies – SMO, JG, EG, MS, SW	
3	<p>Updates</p> <p>JT met the Parish Steward September 19th. Re MLAV25. After walking it together, he cut back all overgrowing vegetation making this path easier to walk. There is still an issue re arisings from a property backing onto MLAV24 that Parish Council Clerk and JT are dealing with. More have recently been put onto the footpath side. To check legalities.</p> <p>CK and MR reported that the scalplings put down on MLAV13 in the area of the large, deep puddle are doing their job. The side has loosened slightly but should be good for a few years.</p> <p>From Wilts' RoW Warden - Steve Leonard telephoned JT and various matters were discussed.</p> <ol style="list-style-type: none"> 1. A site meeting held with Dauntseys Groundsman, the owners of Wick Farm and field MLAV3 crosses, re MLAV2 & 3 and WLAV45. Having carried out research on the route of MLAV3, Steve's established that the path didn't go through the garden of Wick Farm. Dauntsey School need to make their grounds secure and as MLAV45 is currently impassable w re-routing MLAV3 to link into MLAV2 anis a solution. A meeting with landowners concerned, ML and WL PC's is to be convened to put in a joint application. To be discussed at next PC meeting. 2. Wilts RoW team to clear MLAV31 of overhanging vegetation. 3. MLAV7 discussed and having a site meeting 29/10/24 4. An idea being considered is that certain RoW issues reported on MyWilts could be passed onto PC's to deal with if within their capabilities. Works would be quicker and relieve pressure on Wilts RoW. Discuss at PC meeting. 	<p>Parish Council Clerk JT</p> <p>JT</p> <p>JT</p>
4	<p>Issues and plans</p> <ul style="list-style-type: none"> • Parish Steward here 17th and 21st – please let Jane know if there are any specific jobs asap. • Site meeting with Parish Steward re bridleway MLAV9, Kings Rd to Ledge Hill to be arranged as difficult on foot and impossible by horse. • Parish Clerk is to inform JT of when contractor is doing final cut. As a group, we then need to be going round immediately after and taking photos of work said to be done. • MLAV38 – gate is locked crossing the footpath. Ask Parish Council Clerk to write to landowner. • Various RoW across fields aren't maintained by the farmers eg MLAV's 3, 24 & 27. To establish process of ensuring this happens. • MLAV26 – establish whose responsibility it is to maintain bridleway MLAV26 from junction on MLAV27. Kelston Farm or PC? • MLAV10 & 1A – establish when landowner to commence refencing works. 	<p>All</p> <p>JT/ Cllr FD All</p> <p>Parish Council Clerk/JT CK? JT Cllr FD /JT/ Parish Council Clerk/JT JT</p>
5	<p>AOB</p> <p>To ask Wilts RoW Warden how to establish if our RoW are registered. Consider a monthly maintenance working party. Send out a poll for best days. PW has been looking at the Open Spaces Society and part of their remit is to support groups re RoW. Annual membership is £45pa and several aspects of HRAF could benefit from it. Forward details to Parish Council Clerk and discuss at PC meeting.</p>	<p>JT</p> <p>JT</p> <p>JT</p>
6	<p>Close and date of next meeting</p> <p>Use WhatsApp to share information and arrange a meeting as necessary. JT thanked everyone for attending. Meeting closed at 6:30pm.</p>
