3	Matters arising – none	
4	Review of Treasure Hunt 31st August It was hoped more people would take part. The location wasn't good as tucked away. People needed to allocate a chunk of time to take part. Lot of time and effort for little results compared to the cake sale. However, it raised £72 which is no small achievement and lessons were learned from it.	
5	What to spend money raised to date on There is £241.05 in the YC account + £100 from the Parish Council budget = £341.05. Chloe informed the council that St Arbucks has a budget for youth projects and will match amount raised. There was a discussion re purchases, the outcome being to investigate if there's sufficient to buy a piece of equipment for Elisha Field. Chloe updated the council of what equipment is going there and when. There was also a suggestion for a family fun day but overall it was felt this was too big a commitment.	Chloe
6	Future of Youth Council and new councillors Councillors were asked if they want to continue with monthly meetings or use WhatsApp to share ideas / information – check terms of reference. John asked them to look back on achievements including raising money to buy signs around the village re speeding, smoking and dog fouling, all supporting the issues they felt needed tackling, and buying a rubbish bin for Lavington School, and said they should be very proud of themselves. A discussion was held re the Christmas lights and helping to put them up. Talk of possibly buying one and having a cake sale to raise the money. Christmas lights etc are being discussed at the next Parish Council meeting and a decision to be made from that. A discussion was held on how to increase YC numbers. All to ask friends to come along to putting up or turning on the lights. IS and RK to make a poster to be displayed at Christmas event.	Jane All IS/ RK
